

Suttner – High pressure hose reel ST-71

The choice of perfection

Suitable for hoses of up to 40 m, Ø 22 mm, DN 12

Orifice of 12 mm!

460

High pressure hose reel ST-71

Suitable for the food industry

- The base frame is made out of stainless steel V2A / AISI 304 and stands for highest stability.
- Equipped with an especially wide orifice of 12 mm.
- Suitable media: water or water with cleaning chemicals, air, oils and grease.
- The drum hub consists of 5 sturdy stainless steel rods and runs in specially maintenance-free bearing sleeves.
- The drum rotates by means of an adjustable handwheel being equipped with a free-wheel polyamide grip.
- A mechanical brake makes it possible to lock in 6 positions.
- This high pressure hose reel is equipped with the swivel ST-322. The Suttner swivels ST-322 are completely made out of stainless steel and have a slide-ring sealing element.

Construction: solid setup with a wall thickness of 3 mm

Locking: brake for locking in 6 positions

Swivel ST-322: DN 12, max. 300 bar, max. 90 °C
