

ST-1700 – Professional high-pressure spray guns also for self-service car washes

The choice of perfection

ST-1700 is also available in weep or low-pressure weep versions

Size comparison to ST-2200: ST-1700 with smaller external dimensions and better ergonomics for smaller professional users.

ST-1700, the professional high-pressure spray gun with smaller external dimensions and better ergonomics for smaller professional users

- Ergonomic handle with non-slip surface
- Swivel at the inlet
- Private Label possible
- Max. 275 bar / 40 l/min / 150° C

LFT - „Low Friction Trigger“ significantly reduces friction and wear and ensures a longer service life of the high-pressure gun, reduced trigger forces and a consistently low pressure drop throughout the entire service life.
