

# Plastic hose NTS yellow made of soft PVC

The choice of perfection

80 meters of DN 19 fit on the mobile hose reel

## Professional low-pressure water hose for the low-pressure connection

- High flexibility and ease of movement
- Soft and handy in a matte finish with bright yellow markings
- 6-layer structure with yellow inner layer, black anti-algae protective layer, yellow intermediate layer, NTS fabric reinforcement, transparent outer cover and SKY TECH coating with special UV protection against hose ageing
- Tubing surface with a matte finish
- Phthalate free (< 0.1% w/w)
- REACH-compliant (without SVHC)
- Without PAH (polycyclic aromatic hydrocarbons)

### Plastic hoses yellow
