

# Universal hose guide ST-71

The choice of perfection

**Gentle pulling,  
even around corners**

- no stumbling over hoses
- no hose contamination
- good guidance, without twisting

**For hoses up  
to 38 mm  
outside  
diameter**

## The practical hose guide as a wall mount for hoses up to 38 mm outside diameter

- Extremely robust and stable
- Stainless steel construction
- Hose guide rollers made of food-grade plastic, suitable for use in food processing plants
- Suitable for hoses with an outside diameter of 38 mm
- Simple attachment with 2 holes  $\varnothing$  8 mm
- Material thickness of the bracket: 4 mm

**Rotatable:** plastic hose guide rollers ensure that the hose does not wear out and glides safely.

**Axle bolts, nuts  
and cap nuts:  
Stainless steel,  
M10**

ST-71. Hose guide as wall bracket for hoses up to 38 mm outside diameter
