

Unique: 3 variable rotary swivel bars with two spray nozzles each!

low vibration:
balanced rotor arms in robust quality with high cleaning effect

clean solution: the integrated screen filter prevents that the nozzles get clogged

ST-2750

We recommend using the gun ST-2750 with patented LTF technology.

ST-3600

For work up to 500 bar, we recommend our ST-3600 spray gun.

LTF

adapted: ergonomic handle

The TurboDevil® heart shape surface cleaner for professional cleaning applications for large areas

- high-quality stainless steel version with lance holder at the push handle
- working width 1,200 mm
- 6 nozzles 1/4" M BSP are required
- incl. ST-45/600 coupling
- precisely calculated spraying angle for a best possible extensive cleaning with 30 - 60 l/min. at 5 - 90 °C
- 2 big industrial castors ø 400 mm and 1 double guide roll ø 160 mm
- max. temperature: 90 °C
- min. pressure: 150 bar
max. pressure: 500 bar

ST-45/600 coupling: included in delivery

lance holder:
for the ideal storage of additional lances

new

running smoothly:
extremely manoeuvrable, thanks to 400 mm tubeless industrial wheels with stainless steel bearings and a 160 mm double guide roll in front

Guarantees an even, streak-free and intensive cleaning

splash guard: safe handling by means of an all-round rubber lip. This heat-resistant lip protects against splashes and flying stones

R+M Nr.	units / pallet	castors ø	working width	inlet	outlet	pressure	temperature	weight

turbodevil

Heart shape Surface Cleaner 500 bar

The choice of perfection

corrosion resistant:
stainless steel

sturdy design:
thanks to double swivel castors,
the heart shape surface cleaner
is very manoeuvrable

quick gun connection:
coupling ST-45

hot water application up to 90° C: high efficiency due to the large housing,
which keeps the heat for a long time. Especially suitable for greasy floor dirt

ultra wide application!

folded: low space
requirement with folded
guide bracket. Simply
release the bolts with
the spring clip

working width: at 1,200 mm, the heart cleaner is very suitable for large
areas. Versatile application also on concrete and asphalt floors for play-
grounds and sports facilities, garages and even wooden decks
