

CUSTOMER DATA SHEET
TEXTILE REINFORCEMENT HYDRAULIC RUBBER HOSE

CLEANING HOSE

Customer Item No.: **305 721 201**

Description: 1/2" 2TE DN12 blue color smooth pin-pricked FDA

Customer Item No.: **305 723 401**

Description: 3/4" 2TE DN19 blue color smooth pin-pricked FDA

Inner Tube: Synthetic rubber, resistant against high
temperatures and fluids

Reinforcement: two layers of braiding of high tensile textile

Smooth Cover: Synthetic rubber, blue, anti-aging, resistant
against abrasion, oil, ozone, weathering

Applications: For delivery of the hydraulic oil, animal fat, or
water based liquids

Hose ID	Hose OD	Working Pressure	Burst Pressure	Min. Bend Radius
18.2~19.8mm	26~28mm	45bar	180bar	110mm
12.1~13.3mm	18.7~20.7mm	58bar	232bar	70mm

Production and Tolerance after EN 854
