The choice of perfection

PRODUCT NO.: 35164660459

HIGH PRESSURE HOSES 1-10 210 BAR 4,5 M BLUE

1/2" M : 1/2" M smooth cover Stainless steel

The 1SN DN10 high-pressure hose from R+M / Suttner is designed for pressures up to 210 bar and is supplied in a length of 4.5 m. The pressure washer hose has a smooth cover and comes ready to connect with AGR 1/2" on both ends; the fittings are made of stainless steel and a GKS blau is included. As it is suitable for hot water, the 1SN DN10 high-pressure hose can be used with both cold and hot water pressure washers in commercial and industrial high-pressure cleaning. Service technicians and cleaning equipment dealers get a replacement or new hose with a 1/2" AGR connection.
