Product Description

The choice of perfection

PRODUCT NO.: 106996700

EASYCLEAN365+® GUN ALUMINIUM

Thread: 1/4" F
Working pressure 5.5 - 9.0 bar
Air consumption 200 l/min
Bottle size: 1 l

Ensures the most professional and efficient interior and exterior cleaning of all kinds of dirt in the car wash sector
Removes chocolate on seats, dirt in ventilation ducts and also brake dust on wheel rims by its technically mature technology
Thereby, it generates the cleaning efficiency of a rotary cutter
By the needed low water volume and the effect in depth of the dirt a speedy drying of the surfaces is guaranteed
