

# Product Description

The choice of perfection

PRODUCT NO.: 10832524

**DGV-06 3/8" M : 3/8" F 275 BAR 30 RPM**

Mosmatic swivel joint

Stainless steel / nickel-plated brass housing

Stainless steel shaft

Maintenance-free

Single bearing

Media-carrying parts made of INOX

Corrosion resistant

Guaranteed smooth rotation up to maximum pressure

Reinforced inner part

Application: HD guns, hose connections, hydraulics, torsion-free applications

## Technical data

Connection 1	3/8" M	Connection 2	3/8" F
Length	61 mm	Manufacturer	Mosmatic
Nominal width	NW 6	Pressure	275 bar
Revolutions	30 rpm	Series	DGV
Temperature	120°C
