Product Description

The choice of perfection

PRODUCT NO.: 125852040

QUICK CONNECT NOZZLE SET 040 BROWN

INLET SS

Nozzle size 040
Colour coding: brown
Max. 350 bar

Consisting of: colored plastic holder inclusive:
1 x Low pressure nozzle (brass)
1 x Flushing nozzle (Stainless steel)
1 x Chiseling nozzle (Stainless steel)
1 x Blasting nozzle (Stainless steel)

High strength plastic. Highly impact resistant
Stainless steel nozzles: long lifetime and excellently thermal and chemical stability, resistant to mineral acids and alkaline solutions
Connection ST-245 coupling, 1/4" F, R+M Nr. 200 245 500
Suitable for applications requiring a frequent and quick change of the spraying angle
