

Product Description

The choice of perfection

PRODUCT NO.: 1741099299

HAWK-PUMP NMT 1220CWR 12,5L/200 BAR 1450 RPM

4,7KW

NMT Car Wash Series

NMT-CW pumps can operate at a maximum pressure of 200 bar and with water temperatures up to 65°C (149 F). This version is a perfect choice for fitting on self-service car washes, as well as professional high-pressure washers where it is necessary to guarantee a longer working life, thanks to the special seals and the nickel plated manifold housing offering enhanced protection against chemicals
