

Product Description

The choice of perfection

PRODUCT NO.: 30530

ÜBERTRIFFT DIN 20018/1

Black surface and interior
Industrial version for water and compressed air
Abrasion- and ozone-resistant
Burst pressure > 60 bar
Max. 20 bar
Temperature range -10°C - +60°C
Nominal diameter DN 25 (1")
Wall thickness 5 mm
Complete roll 100 Meters = Part No. 30530100

Technical data

Color	Black	Inner diameter	25 mm
Nominal width	1"	Outer diameter	35 mm
Pressure	20 bar	Temperature	-10°C to +60°C
Wall thickness	5 mm
