Product Description

The choice of perfection

PRODUCT NO.: 343100303

HP HOSE BLACK 1-08-315 BAR BLACK M22F

3 MTR

The 1SN high-pressure hose is designed for professional use in high-pressure cleaning systems and demanding cleaning applications. Its robust construction with a single steel wire reinforcement provides reliable performance. The wrapped hose cover is suitable for daily use. M22 connections at both ends with bend restrictors ensure a secure connection and help protect the hose from excessive bending near the fittings.
