

# Product Description

The choice of perfection

PRODUCT NO.: 3655463109

## HP HOSE BLACK 2-12 R1/2M SS 10 MTR

### POWERSHIELD365+

Connection 1: 3/8" M with hose and black bend restrictor

Connection 2: 3/8" M with hose and black bend restrictor

plug, crimp and connection stainless steel

Nominal size: 12

Type: 2SC (double steel wire braids) very abrasion-resistant

UHMPE-coating

Color: black

Max. 310 bar / 100°C

Ideal for cleaning applications on rough floors which need to be cleaned by very non-abrasive hoses

Compact hose with corrosion-protected steel wire

Interior and surface synthetic rubber

Very abrasion-resistant UHMPE-coating

Particularly abrasion-, oil-, ozone-resistant and weatherproof

Considerably increased durability compared to usual high pressure hoses

MSHA-permission
